

Qmlativ Student Health Overview

Presented by: The Student Software Support Team

School Year 2025-2026

Security

Frequently asked questions:

“Why do I not have the same option or see the same information?”

Great question!

- Your access in the Qmlativ Software is based upon securities levels that have been dictated by your administration.

If you feel that you need extra security to better do your job, please contact your district Security Administrator with your request.
