Join us for the ESD 105 Technology Procurement Showcase!

We're bringing together leaders in technology, athletics, teaching and learning, and facilities for a day focused on innovation and collaboration. Explore the latest technologies from our trusted partners, connect with peers across the region, and discover solutions that support smarter, more connected schools.

Connect with Leading EdTech Vendors

Explore hands-on demos and the latest innovations from top education technology manufacturers and solution providers.

Collaborate with your Peers

Network with other technology leaders, share best practices, and gain insights from districts across the region.

Complimentary Lunch & Refreshments

Start the day off with lunch provided by ACT while networking with your peers.

Focused Breakout Sessions

Participate in discussions curated by the ESD, covering the most relevant technology priorities and challenges facing districts today.

One Convenient Day, High ROI

Learn about emerging classroom, infrastructure, and security technologies—all in one place, without the travel time or conference costs.

Door Prizes & Giveaways

You'll have the opportunity to win some fantastic prizes throughout the event!

Happy Hour event at disclosed location directly following the Showcase.
