

Educational Service District 123/SE LASER Alliance

Science Unit Foundational Workshops

- ◆ **New Units** will be :
 - 2 hours of online learning prior to the face to face workshop
 - 7 hours of inquiry engagement with science unit in a face to face workshop class
- ◆ These workshops are a **MUST** for elementary teachers who are new to teaching, to a grade level or beginning to teach the New Units this year or next fall. *Clock hours available for all classes*

Districts are responsible for providing teachers with their **TEACHERS MANUALS** prior to the workshop.
