

Computer Science PLC Network

The Association of Educational Service Districts are looking to increase educator opportunity and growth in the area of K-12 Computer Science. To this end we are searching for leadership within our districts to develop and share in a common vision and mission: Increase equity and access of Computer Science Education for All.

We invite you to be a part of our statewide Computer Science PLC Network and/or share this with someone close to this work. Please click the link below and fill out the brief questionnaire:

<https://tinyurl.com/WA-CSPLC>

Once the questionnaires have been reviewed, you will be contacted by your local ESD representative.

The first Computer Science PLC Network meeting will be November 20th, 2018 8:30 am-3:00 pm at your regional ESD.
